Town Clerk, Town of Alder

Dear Jordan Lee,

We are writing to ask for the approved minutes of the Planning Board's October 14 meeting, and for any written comments the board received on the accessory dwelling bylaw before that date.

We publish a plain account of how each decision on the bylaw was made, and we link readers to the official record. Your office's copy is the record we want to cite.

An electronic copy is fine. If the request needs a fee, please tell us the amount before you begin, and we will pay it the same week.

Thank you,

Dustin Cathcart
