Jordan Lee
Town Clerk, Town of Wrenfield

Dear Jordan Lee,

Please send us the approved minutes of the Planning Board's October 14 meeting, and any written comments the board received before that date on the bylaw for backyard cottages, which the zoning code calls accessory dwelling units.

We publish a plain account of how the board reached each decision on the bylaw, and we link readers to the official record. Your office's copy is the record we want to cite.

An electronic copy is fine. If the request carries a fee, please tell us the amount before you begin, and we will pay it the same week.

Thank you,

Dustin Cathcart
